

NATURE KINGDOM
— HOMESTAY —

A Peaceful Escape *in the Coffee Hills*

CHIKMAGALUR · KARNATAKA

Bommenahalli, Mallenahalli Post

A WORD OF WELCOME

Wake up to mist on the hills. Sleep to a sky full of stars.

Nature Kingdom is a homestay tucked among the coffee estates of Chikmagalur, built for slowing down. There's no rush here — just the smell of filter coffee in the morning, mountain air on the terrace, and a bonfire waiting for you by evening.

We built this place for the people who want to disconnect from the city for a while — couples looking for a quiet weekend, families who want to spend real time together, and anyone who has ever wanted to fall asleep to the sound of crickets instead of traffic.
